

Our approach to safe working

We've risk assessed all our services in line with government guidance

We're committed to following good cleaning and hand hygiene practices

We're following social distancing practices

We'll call you before we visit your home to make sure you're feeling well

If we're working in your home, we'll use the appropriate PPE

If you're any queries around our health and safety practices, contact us:

Call us: **03000 120 120**

Email us: **act@alliancehomes.org.uk**

Visit our website: **alliancehomes.org.uk**
